Subject: More EBD Review White Papers
Attachments: Pebble Seismic Critique (Final).pdf; 2012.05.25.EBD.Hydro.pdf

Palmer,

I hope this email finds you doing well. I have attached two more EBD review white papers - seismic and hydrology. These got a bit delayed due to Watershed Assessment review work. We have two more on the way: Water Quality, Fisheries Escapement and PHABSIM. I should have the first two to you by the end of the week.

Feel free to contact me if you have any questions.

Best
Sam
